PARENTAL AUTHORIZATION FOR HIGH SCHOOL STUDENTS
(New Hanover County & Pender County)

CFCC Community Patron Library Cards are issued to residents of either New Hanover or Pender County who are 18 years or older. However, residents of either county may authorize us to issue their high school student younger than 18 a CFCC Community Patron Library Barcode. The Library Barcode will be placed on the back of their High School picture ID (only if space allows) or on a CFCC Library Community Patron card. The authorization must be presented in person by the parent or legal guardian. A photo ID and two pieces of documentation showing proof of residency with an address in one of the above counties are required.

**Please note that students will have access to library computers that do not use filtering software.
